FOR IMMEDIATE RELEASE: June 21, 2018

Norman Hardie Winery

The Prince Edward County Winegrowers Association supports progressive and safe environments for employees, customers and management. The allegations of sexual misconduct at a member winery are very serious. We are sorry to hear about the victims' experiences and applaud their courage in coming forward.

We encourage all our members and their staff to adhere to the highest professional and moral standards. Accordingly, we have currently suspended Norman Hardie Winery's membership with the Prince Edward County Winegrowers Association.

We are taking some time to consult with experts and industry partners about how to best to support employees in our industry.
